MRS. F. A. DURNIE TO BE BURIED THURSDAY

Funeral services for Mrs. F. A. Durnie, 84, who died at her home in the Curry Community at 9 p. m. Tuesday, July 4, 1944, will be held at First Presbyterian Church at 4 p. m. Thursday, July 6, 1944.

Rev. John C. Solomon, Pastor, will conduct the services and interment will be made in Oak Hill Cemetery in Cameron.

Mrs. Durnie had been ill at her home for a long period of time. She had been a member of the Cameron Presbyterian church since 1910 and until her health became critical was faithful in attendance and always manifested an interest in the progress of the church of her faith.

Mrs. Durnie was born in Buffalo, New York, July 26, 1860, and came to Milam county when a young woman with her husband, the late F. A. Durnie who had been attracted to Texas by the urge which induced many of the pioneers to settle upon the prairies of the Lone Star State. Accordingly they settled at Curry, a prosperous community only a few miles north of the city and there made their home and reared their family. Mr. Durnie died in 1934.

When the family moved to Curry from their home in Buffalo, New York, Mr. Durnie purchased a large tract of land which on account of its nearness to the city limits has become valuable. When the funeral is held in the Presbyterian church Thursday the pastor will pay a tribute to the memory of this beloved pioneer wife and mother.

Surviving are two sons: Frank B. Durnie, prominent citizen and leader in the Curry Community and Emil C. Durnie, also of the Curry community. Five grand children and one great grand child survive.

The body will lie in state at the Green Funeral Home in Cameron until the funeral hour Thursday. The Green Funeral Home will direct arrangements with burial in Oak Hill Cemetery.

Liberty Homecoming Set For Friday July 6; Began in 1914

Since 1914 the Liberty Community has observed Homecoming Day.

This year the Liberty Homecoming has been announced for the first Friday in July and everyone is invited to be present for that day. The first homecoming was held in July 1914.

The Liberty Cemetery Assiciation held their first meeting with Mrs. J. W. Lantrip, 30 years ago this July. Mrs. G. W. Miller, now deceased was President of the Association; Mrs. Edna Davison, living, was Vice President; Mrs. J. K. Miller, living, was Association Secretary; Mrs. Dave Bussa, living, was treasurer. At that time the Association had 29 members.

The land on which the cemetery is located was given by the late Thomas Kirk and Dan Miller gave the land on which the church is located.

Miss Rosemary Bennett of Texas University visited her parents, Mr. and Mrs. R. W. Bennett for a few days.

V. D. Ruzicka of Buckholts was in Cameron on business last week.

Observe Golden Wedding Day

MR. AND MRS. W. O. FISHER OF HANOVER

Now in the sunset of life, their years spent in happiness together, Mr. and Mrs. W. O. Fisher of Hanover, recently observed their Golden Wedding Day at their farm home.

Mr. and Mrs. Fisher were married in the little church at Liberty. It was the first church wedding held in the church. It was late afternoon of a sunny day, March 11, 1894.

They have made their home in that community. Both are now in their 72nd year and Mrs. Fisher, in ill health is confined to her bed while Mr. Fisher has become inactive due to his advanced age. It was a happy day for the aged couple when some 150 friends and neighbors called during the Anniversary Day.

A 30 pound wedding ring cake was baked and beautifully decorated by a daughter, Mrs. W. H. Baines of Houston, and over the table hung three large golden bells and golden leaves. The candlesticks were gold.

Mrs. T. D. Cook of Houston, daughter, poured iced punch from an old cut glass bowl, owned by the couple.

Mrs. Fisher cut the wedding cake and standing by her side was her husband. Another daughter, Mrs. E. F. Westbrook of Houston, served the cake to the assembled guests and relatives.

In the receiving line were Mr. and Mrs. W. O. Fisher, Mrs. Baines and daughter in law, Mrs. T. D. Fisher.

Miss Vera Fisher, daughter, popular and widely known in Milam county, presided at a guest book of beautiful gold satin.

The wedding at Liberty in 1894, was a simple ring ceremony. A number of guests at the Golden Wedding Anniversary remembered well the wedding on that balmy March afternoon 50 years ago. For a number of the pioneers who share with Mr. and Mrs. Fisher the golden memories of a half century, it was the first church ceremony they had seen. Among those who recalled the wedding are: W. O. Garner of Marlow; Mrs. Daisy Hooker of Milano; Mrs. Alma Hilderbrandt of Milano; C. J. Reese of Rogers; T. C. Fisher of Milano; A. J. Hilderbandt of Milano; Mrs. Ed Black of Hanover and Mrs. Eliza Fisher of Hanover.

About 150 called during the afternoon from two to five. Many called during the week because they were unable to attend during the open house hours.

A special feature of the anniversary celebration was a selection of old melodies in a musical tribute of love and esteem for the aged people. Mrs. A. W. Kornegay of Hanover and L. M. York of Houston played an old time organ while all poined in singing such songs as: Long, Long Ago; The Old Oaken Bucket; Home Sweet Home; In The Gloaming; Silver Threads Among The Gold; After the Ball and Mary Lou. The songs were led by Miss Vera Fisher. and Mrs. W. H. Baines.

Mary Lou is the given name of Mrs. Fisher who was celebrating her Golden Wedding. Mrs. W. H. Baines arranged the words for the song "Mary Lou," as follows: "Mary Lou, Mary Lou, many years I've loved you; The vows I made in 1894, all still hold true, dear; And I could add many more to you, Mary Lou. You have always been true blue. For Miles around they've come dear, to join in the fun here, 'Cause you said "I do" Mary Lou."

Out of county guests were: Rev. A. B. Francisco, Mrs. A. B. Francisco, Houston; Mrs. Irma Kitcher, Houston; F. B. Fisher and daughter, Mrs. A. C. Massey and daughters, Bal and Flo of Houston; L. M. York of Houston; A. K. Fisher and daughter, Mrs. John Orsak, Mr. and Mrs. Ernest Filter and children, Loma and Earnest, Jr., of Dallas; Mr. and Mrs. I. D. Cook, Houston; Mr. and Mrs. W. H. Baines and children, Donna, Nelson and Glenn of Houston; Mr. and Mrs. Fisher and children, Billy K. and E. F. Westbrook of Houston; W. K. Katherine Lou of Houston; Mr. and Mrs. T. D. Fisher and daughter, Mary Katherine of Houston; R. H. Fisher of Gatesville.

Many friends called from over the county and many messages of congratulations by cards and telegram came from friends over the county and state and all were highly appreciated. Many lovely gifts came and Mr. and Mrs. Fisher were delighted and deeply grateful to be thus remembered.

A decorative touch was the improvision of lovely spring flowers that grow in such profusion on the gentle hills and valleys of the Hanover country. Given to each caller were the following: Dainty lace napkins with "Lou and Oscar," March 11, 1894—1944," printed in gold and a small gold bell tied to small cord with gold ribbon with "Lou and Oscar, March 11, 1894—1944" printed in gold on cards.

Joe E. Bailey Here From Aleutians; Is In The Seabees

Joe E. Bailey, United States Navy Seabees, is home after almost a year in the Aleutian Islands area.

Joe is being greeted by many old friends here. He was in the garage business before he volunteered for service and likes the job he has. Past military age, he felt he wanted to have a share in the war and because of his training met all the requirements of the Seabees.

While in the Aleutians area he saw a number of Milam county boys. Joe is a Chief Engineer on a dredge boat. Among those he saw are Ralph Massengale, Wallace Schlemer, Hinkle Raymond and Carl Arnold. There are others in that area also.

Joe expects to return to his duties in a few days.

Mr. and Mrs. Jim Short and family of Marlow were visitors in Cameron Saturday.

Mr. James of Milano was visitor in Cameron Saturday.

A. P. Brannon of Minerva was a business visitor in Cameron Wednesday.

GERMAN SECRET WEAPON HITS LONDON

LOCAL NEGRO IS DEAD FROM ATTACK WOUND

Henry Dickerson, negro, died around 2:30 p. m. Thursday in the Cameron Hospital, from knife wounds and head injuries sustained at 9 p. m. Monday, July 3, 1944, on East 11th Street.

Lee Johnson, white, was placed under arrest, shortly after the negro was slashed with a knife and beaten over the head. Deputy Sheriff Carl C. Black, placed Johnson under arrest after the attack and after a preliminary investigation Johnson was released under bond, being charged at that time with aggravated assault. It was developed Thursday that the negro died from head injuries. He was hit twice with a blunt weapon identity of which has not as yet been established.

County Attorney, Ed Gunn, was conducting an investigation early this afternoon in his offices in the court house. He had no details to announce. Deputy Sheriff Carl Black was assisting in the inquiry.

No arrests had been made at the time of the report at 3 p. m. but papers had not been prepared and charges, to be filed, had not been determined.

So far as known no motive had been established, according to officers, for the attack on the negro. It was expected that an exhaustive investigation would determine the cause of the trouble.

Dickerson was slashed across the back with a knife. This wound was said by officers to have been less serious than the head injury. Early this morning the negroe's condition became critical. He died shortly before 2:30 p. m. A Cameron physician attending the negro said his death could be attributed in the main to blows on his head. It appeared that a hammer may have been used, said officers.

It was expected that arrests would be made later in the day or early Friday, depending on the progress of the investigation being made by the District Attorney.

Grade 1 Tires Still Hard to Get; Milam Shortage is Actue

The grade one tire situation remains tight in Milam County despite reports of bright prospects for more passenger car tires this year, chairman Perry of the Milam County War Price & Rationing Board reported today.

"Our unfilled applications because of lack of quota are mounting each month, notwithstanding the increased quotas as allotted by the national office in Washington," the Chairman said. "The supplements for June enable this and other boards in OPA Region Five to issue less than one new tire out of three applications unfilled but approved."

Chairman Perry advised that even though the tire inspector may have certified need for new tires, that does not necessarily mean that a motorist will be able to secure certificiates from the board.

"Our Board, like the others, simply does not have a sufficient quota to supply the needs of all applicants, and therefore must issue certificates in accordance with the quota and essentiality of work in relation to the war effort," Chairman Perry declared. "It is absolutely essential, therefore, that every motorist repair and recap his present tires to secure the maximum mileage. We still have a big gap in the tire situation, and failure to repair and recap tires may mean that some motorists will have to put their cars away for a while."

The Chairman said the Houston District OPA Office had informed him that recapping of tires had slowed down considerably in the past 60 days.

LANDS IN FRANCE

Sgt. Alfonse Mikulec, son of Mr. and Mrs. Frank Mikulec, Sr. of Marak has landed in France. In a letter dated June 22, he tells his parents that he is now in France. Sgt. Mikulec is a musician and was attached to one of the invasion units. Pfc. Frank Mikulec, Jr., is also believed to be in France. He is a brother of Sgt. Alfonse Mikulec.

Back the attack with Bonds!

CHILDREN ARE BEING EVACUATED TODAY

So serious has become the German secret weapon—the robot plane that children were being evacuated from London to day, a report to the Herald said at 3 p. m.

Already 10 thousand casualties have been reported in England since the flying torpedo was let loose on the island. London was bearing the brunt of the attack.

The weapon flies like a midget plane, but in reality is a bomb with wings.

Among the dead reported are American soldiers.

In a speech to the House of Commons Winston Churchill said everything is being done to eliminate the planes.

The Germans were broadcasting fantastic claims about the secret weapon. They have announced a crewless submarine which they claim will devastate New York City.

In Washington, Assistant Secretary of War Robert Patterson said these planes would not likely reach the United States.

The Germans were fighting back in Normandy and though progress was being made by the Allies, the battle was becoming harder. Large scale air attacks were being made across the Channel on German occupied France.

The new Russian offensive near the Baltic states was giving the Germans their worst experience of the war. Waves of Russian tanks and infantry were sweeping toward the border of the Baltic states.

Adolph Hitler in a speech to the German people said that the Allies have outstripped the Germans in production of fighting equipment but he says the Germans cannot afford to lose and must fight to the last. "We will never capitulate," he said.

The Fifth Army in Italy has been halted but the 8th army was making some progress.

CAMERON FAR SHORT OF E BONDS QUOTA

Cameron was around $14,000 short on E bonds according to figures given the Herald by E. C. Cole, local chairman Wednesday.

Mr. Cole discloses that the exact figure up to Wednesday was $53,893.75. In the beginning The Herald printed what was represented to be day by day figures on E bond sales.

In each of the War Bonds the Daily Herald has complied with wishes of the War Finance Committee to bring day by day totals to show the progress and to keep the people War Bond minded as near as possible. It is regrettable that the Cameron quota was so badly misrepresented in the figures.

Worse than the errors is the fact that this city still lags on a $70 thousand dollar quota. This amount of E bonds should have been sold in the forenoon of the first day of the drive.

In each of the War Loans there has been confusion in reporting sales. In the future no figures will be published unless they are doubly certified.

Early Thursday the Herald received a list of reported sales from over the county. They may not be included in this week's sales because of a composition problem on the machine but will be published in the Daily. The county is far short on the E Bond quota.

The most surprising failure is Cameron. Just why this quota has not been raised is not apparent. On the face of returns is appeared to have resulted from a frontal attack by General Apathy and wokers who have not had time to spare.

Mrs. C. V. Huffman had as her guests for the Holidays Mr. and Mrs. Hubert Phipps and daughter of Houston, Mr. and Mrs. James Fikes and baby Diane of Houston, Mr. and Mrs. Irvin Braddock of Dallas, Mr. and Mrs. J. B. Lindsey and two children of Gilmer, and Everett Hayes of Waco.

Mrs. Otho Matthews, daughter of Judge and Mrs. Ed Gunn is visiting friends in Yoakum.

MILAM 4 STAR COUNTY TAX SURVEY SHOWS

Business methods primarily embodied in a budget which applies sound management to the fiscal affairs of the county, has brought high praise to Milam.

Conn R. Isaacs, county auditor, whose business it is to administer the budget, as purchasing agent, has prepared, upon request a brief summary of a recent comment by the East Texas Chamber of Commerce in its survey.

Here in brief is the picture in which Milam is the Four Star county:

"A 4-Star County for 1943" is the way Milam county is designated by the East Texas Chamber of Commerce after a thorough check made by their representative and in an exhaustive report published by them.

The following requirements must be met in order to make a 4-Star County:

1. The tax rate not above 80c for most tax payers.
2. Net debt not above 5 per cent of assessed valuations.
3. All funds operated on a cash basis.
4. The county lived within its budget.

The following comment is made at the conclusion of their report, viz: "The county's net debt at the end of 1943 was down approximately $285,500—lowest in a quarter century. It was reduced by $38,500 in the two years of 1942-1942.

Combined net spending for the county's funds during 1943 was down sharply to $211,800—lowest for many, many years. This was $68,000 lower than for 1941; more than $100,000 lower than for 1939. Real economy certainly was practiced by the county in 1943.

Budget control appears to have been effective in 1943. Budget estimates of revenues were quite good. The county operated nicely within its budget allotments.

The County Commissioners' Court and the County Auditor, it seems to us, are entitled to the thanks and appreciation of the people of Milam County for the excellent record accomplished in county finances through 1943.

Let's see to it that the good record is improved on and maintained.

From a Small Town Banker's Letter

"My son, according to his last letter, was in England. Perhaps he is in France today. My neighbor's boy lies wounded in a South Pacific hospital. These youngsters are fighting, and dying if need be, for everything that I stand for and that I as an American hold dear.

"On this Invasion Day, as I pray for their safety and their victory, I feel humble as I reflect how small is my contribution compared to theirs. And I am determied that my every energy and every available minute will be devoted to their support. I realize that my opportunity and my duty lie close at hand—THE FIFTH WAR LOAN DRIVE. I shall glory in the chance to make this my greatest effort yet in the war. I shall keep faith with my boy and my neighbor's son."

CITIZENS NATIONAL BANK

SENATOR JESS MARTIN SPEAKS HERE FRIDAY

State Senator Jesse E. Martin, candidate for attonrey general, speaking here today launched an attack upon certain opinions handed down from the attonery general office by an opponent, Grover Sellers.

He termed Sellers as a man "serving a recess appointment without senate confirmation.

"Yet," charged Martin, "he placed paid advertising in Texas newspapers saying he is a candidate for a second term as attonrey general when he has not yet been given a first term. No doubt that statement was made with the intention of inducing people to vote for him on the basis that many feel that a man would be entitled to a second term. But I do not believe it fair to make that kind of a political statement.

"I would not ask any person to vote against him because he was appointed; neither do I think he has the right to ask you to vote for him because he has this recess appointment. If I made a misrepresentation to a client in private business to get hired I would expect to be repudiated, and I believe the same should apply to your public business."

Again Martin threw criticism at Sellers for the latter's opinion that the Governor could not call a special session of the Legislature, after being petitioned to by members of the Legislature, to allow service men and women to vote without payment of a poll tax.

"This opinion," continued Martin, "said that it would be unconstitutional to call a special session because it would constitute a tax remission and that the only instance in which taxes could be remitted was in the instance of a great public calamity.

"I served in the Marine Corps in France during the last World War. I was over there marching up and down those same muddy fields where our boys and girls are marching today. I will frankly confess to you that many times it looked like a great public calamity to me yet Mr. Sellers has ruled that this World War is not a public calamity.

"This acting attorney general announces that he is 51 years of age. If that is true, during the last World War he was 23 and I was 22. He had the same fine opportunity to do something for his country that I had. No criticism for him because he did not go to war, that being a matter between himself and his conscience.

"But if he had gone to war—if he had seen what I saw which are the things our boys and girls are seeing today—he would not have written an opinion holding this war is no public calamity, thereby depriving our men and women in uniform of the right to vote."

Senator Martin said that if "the acting attorney general" will take time out for a visit to McCloskey General Hospital and "see those boys without arms and legs and eyes" he couldn't write such an opinion.

Martin asked his audience if it could be that one reason Sellers didn't want to see the Legislature in session is that he might not be confirmed.

"If he were rejected he would not be the acting attorney general and would not have those 41 assistants, 17 stenographers and 76 employes as a campaign organization," Martin added.

Martin said he is the only ex-serviceman in this race and that he believes this, together with his qualifications, will put him in good position to deal with the vital problems that will arise in the attorney general's office dealing with the returning soldiers, his widow, his orphans or his dependent parents.

Lt. Thomas M. Eplen Home; Gets His Wings At Altus Air Field

Lt. Thomas Morris Eplen has arrived in Cameron from Altus, Okla., air field where he received his wings as a pilot in the United States Army Air Corps on June 27.

He is the son of Mr. and Mrs. J. Dow Eplen and they were present for the graduation exercises when the class received wings.

Lt. Eplen has been assigned to duty at the Hondo, Texas, air field and is now on active assignment as a fighting man of the air in the army air corps.

Before entering the Air Corps he was a student at North Texas A. & M College. Lt. Eplen flies a fighter craft.

REDS SAY GERMANS ARE FACING DEFEAT

Mighty Soviet forces, engaged in dealing the German what a Moscow spokesman called the greatest defeat in history, Thursday overwhelmed the stronghold of Bobruisk, last "Fatherland Line" fortress before the White Russian capital of Minsk, which was expected to fall by this week end.

Field dispatches said the thunder of Red army cannon already could be heard in Minsk as the Nazis reeled back over the same route once strewn with the wreckage of Napoleon's Grand Army. In less than a week of fighting four powerful Russian armies, said by the Germans to include 80 infantry divisions alone, had reoccupied more than 25,000 square miles of White Russian territory while trapping and wiping out some 10 of Hitler's vanishing divisions.

Lashing out at the Fins in the north, Stalin's forces completely cleared the vital supply railroad from Murmanisk down to Leningrad and now have a direct rail line all the way from Murmansk to Odessa on the Black sea.

In France, fierce fighting raged on for the fourth day on three sides of the German fortress-city of Caen. Gen. Sir Bernard L. Montgomery's veteran British troops, battle-hardened in North Africa, Sicily and Italy, have "firmly repulsed" all German counter-attacks in the past 24 hours, an Allied communique said, while strengthening their own positions across the Odon river.

Field Marshal Von Rundstedt was rushing his reserves into the battle as best he could under a withering Allied air attack.

In yesterday's fighting the enemy lost at least 11 aircraft in attempting to support Von Rundstdt's armored counter-attacks. A total of 121 German tanks were reported to have been destroyed since D-Day. Before the present flaming battle broke out, American troops killed 5,000 to 6,000 Germans and captured 37,333 on the Normandy peninusula, a staff officer said.

Meanwhile, a great force of American heavy bombers and escorting fighters blasted aircraft production centers, an oil refinery and other targets in Germany. RAF heavyweights gave German rocket-plane installations their almost daily plastering.

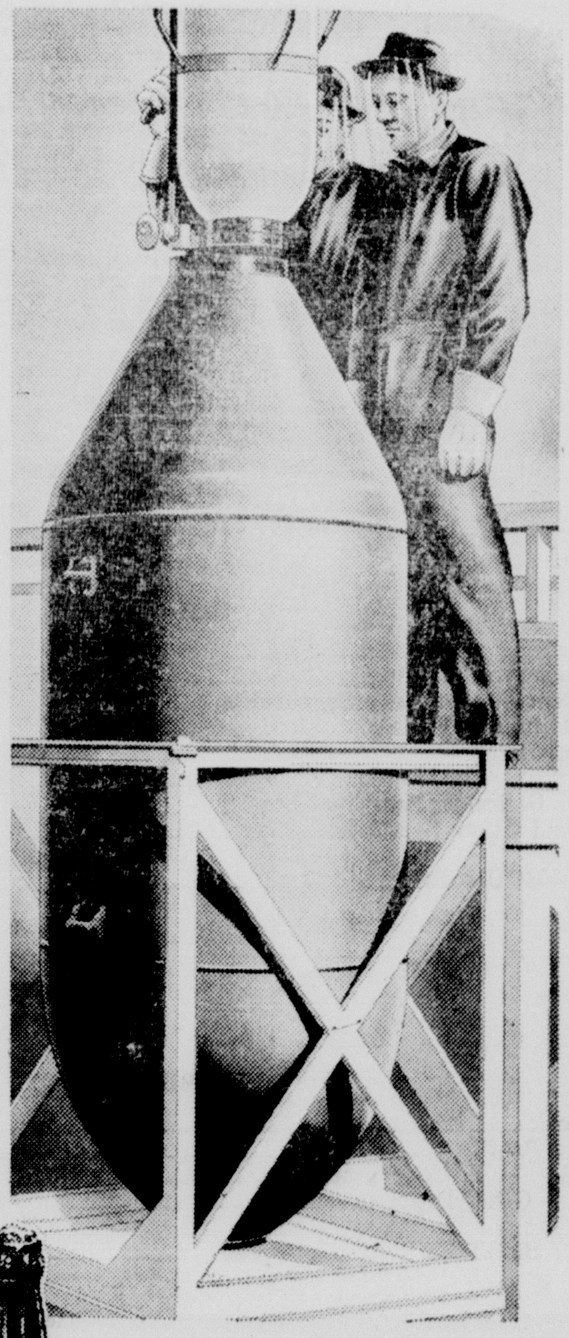
A Pretty Important

PACKAGE



Here you have a portrait of a 4,000-pound Demolition Bomb—"Block-Buster" to you—not a life-sized portrait, of course, but one which gives an idea of the tremendous wallop it packs!

Here's the reason there's almost just a prairie left where Berlin once was. Day in, and night out, they're being showered by thousands of tons on Hitler's once proud cities, flown to the spot by air-freight, special delivery, each an ironic contradiction to Herr Goering's boast that Berlin could never be bombed! They are pretty important packages when it comes to hastening Germany's defeat.

To the men and women who make them we say, "You are doing a real job that the free people of this world will never forget!"

YOUR Invasion

From General Bradley, leading the Invasion ground forces, right through every rank, American men now face a brutal, desperate, able enemy. For this invasion has only begun—before our fighters lies a hard and bloody task, one that demands all their courage, backed by all your faith in their utilmate victory.

That faith will be tested many times in this invasion—in grim struggles, setbacks, possibly even temporary defeats. It will be up to you to remember that early victories unsually only mean more savage opposition from a foe made more bitter, more ruthless as the shadow of his doom grows larger—up to you to keep that faith in days and nights of gloom as well as in hours of triumph.

There is little that you can do to show that you realize what they must face, perhaps for many months. But one thing you can do—back the attack with every dollar you can spare! Let the Bonds you buy in this greatest of Drives be the measure of your belief in their ultimate victory.

Prescriptions

From time immemorial the compounding of Prescriptions has been the fundamental function of a drug store. Even before the Modern Pharmacy came, it was the same. Now, in this day of great progress the principle remains the same.

A reputable Prescription Counter is the chief claim of a good drug store to your patronage and confidence.

Years, plus the care and experience of trusted, registered Pharmacists, gives you more than the average and all you should demand in compounding Prescriptions. Ask you Doctor.

PROMOTE
GORDON R. DAVIS
TO
State Senate

Gordon R. Davis as State Rrepresentative from McLennan county, for the past four years, has proven himself to be a true friend of the people. He is a man that will fight for the rights of the old people, the working man and the unfortunate. Gordon was born on a farm, attended the public schools and Baylor University. He is married, has three children living and one dead. He is a member of the Junior Chamber of Commerce and a member of the State Guard. "The measure of a man is the manner in which he serves his fellow men."

Gordon R. Davis has served his people, honestly, courageously and sincerely. Surely he deserves to be promoted to the State Senate, District 13, Milam, McLennan, Falls and Limestone counties.

(Political Adv.)

CONGRESSMAN
W. R. POAGE

has supported the invasion. He is himself a Member of the American Legion. He was an enlisted man in 1918. He has supported every bill to strengthen our army and navy. He voted for the fortification of Guam when it was unpopular. He voted to enlarge our navy long before the war. He urged all-out preparation. Had Bob Poage not been present and voted as he did on August 12, 1941, we would have entered the war with a demobolized army. One vote would have changed the result. He has been outstanding in his support of the President in the prosecution of the war.

(This add is inserted and paid for by Bob Poage's Milam County friends.)

Sgt. Charlie J. Tomek, Fighting in France With 2nd Division Artillery, Writes They Are Giving Germans Hell; Got 'Em On the Run

SGT. CHARLIE J. TOMEK

* * * * * *

Sgt. Charlie J. Tomek is now fighting the Germans in France.

His parents, Mr. and Mrs. Frank Tomek, Sr., of Elm Ridge, have just received letters from their son in which he speaks of the fighting.

"We are now somewhere in France," said one of his letters, "and in action we are giving the Germans plenty of Hell." Sgt. Tomek is in the artillery of the Second Division and was in the invasion of the continent.

"I am o k and in good health," he said. "We are still in action in France and we have the Germans on the run. A few German planes have come over but we knock them down. The other morning two were shot down in my area of the battle."

Sgt. Tomek sent his father a chevron which he took from a uniform of a German non-commissioned officer It is very dark olive green in color, made of cotton and has a V stripe like that of an American Corporal.

Sgt. Tomek is the second Cameron boy to be reported engaged in action with the ground forces since the invasion began. There are many others, no doubt.

It will be a year Thursday July 6, 1994, since Jerry Tomek, Seaman, on the United States Cruiser, Helena, was reported missing in action in the south Pacific. The cruiser was sunk in Kula Bay somewhere off the Solomons Group. In a letter to Mr. and Mrs. Tomek, recently, Rear Admiral Jacobs from Washington, said that no additional information was available. Jerry is a brother of Sgt. Charlie J. Tomek.

Another brother in service is Sgt. Frank J. Tomek, Jr., now stationed at Fort Bliss near El Paso and a Flying Chief.

Jess Thompson of Rockdale was a business visitor in Cameron Thursday. He said the Regal City is preparing for a big day on July 4th.

Al Griffin of Walkers Creek was a visitor in Cameron Saturday.

W. W. Caddell of Buckholts visited Cameron Saturday.

NEWS FROM MILANO

Mrs. Jane Washington and Miss Margret Washington have returned to their home in Houston after a week end visit with their grand mother, Mrs. Ida Howes. Mrs. Washington is the wife of Lt. Chas. Washington who is with the Armed Forces somewhere in the Pacific.

Tom Tabor spent a few days with his sister, Mrs. Ely in Hearne this week.

Mrs. F. W. James has returned from a three months visit with relatives at Phil Campbell, Ala.

Mrs. Bessie Elsenburger and children of Cameron spent the week end here with her parents, Mr. and Mrs. W. E. Thomas.

Little Barbara Ann Sloan spent last week in the home of Mr. and Mrs. Gerden of Caldwell. Mrs. Gerden will be remembered as the former Miss Ruby Mae Stevenson of Milano.

Buddie Burns of Houston is visiting his grand mother, Mrs. Mary Peeples.

Mrs. Lee Braun spent a few days at Laredo in the home of her son and family, Mr. and Mrs. Dudley Lee Braun.

Mrs. S. W. Taylor has returned from Chicago where she and Mrs. Dorthy Layne have been visiting the latters sister. Dorthy remained for a longer visit. She plans to stay until school starts in September.

Miss Mary Layne has accepted a position with a Government plant in Hondo.

John Myrick of Oklahoma is spending a few days here with his family.

Mrs. Mattie Pinkerton has returned from a visit to Austin.

Milano territory received a rain Snnday afternoon which was badly needed.

Milano housewives have been busy canning vegetables this season. Approximately three thousand cans of different vegetables have been canned thus far. Chicken and other meats will be canned this week. The Milano Canning Center is one of the finest and most beneficial projects that Milano has had. Mrs. Vel Wise is supervisor, and is very efficient.

Pvt. Arther L. Robinson, Pfc. Howard Rhynes and Cpl. Robert Pyatt of Hearne were Cameron visitors Saturday.

City Park Lights Will be Ready by Friday Night

Earl Moseley, contractor, said shortly after noon Friday that flood lights in the city park extension area will be turned on tonight and will be ready for the softball league organization Monday night, July 3rd.

Mr. Moseley who returned to Cameron recently has established his business with office in the Reno building next to the Dr. Pepper Bottling Co.

Texas Power & Light Company assisted Mr. Moseley in installing the flood lights in city park.

Doris McCrummen of Buckholts is spending the week end with Mr. and Mrs. Ben Kennon.

Mrs. Ada Belle Kennon was visiting in Cameron Friday.

Theo Glaser of Mart underwent an operation in the Cameron Hospital Friday. He is reported resting nicely.

Q. L. Cryer and daughter, Mrs. Ira Pack, Jr., of Val Verde shopped in Cameron Wednesday.

Joe Bill White who is home for 14 days from school at Georgetown is spending a few days in Houston.

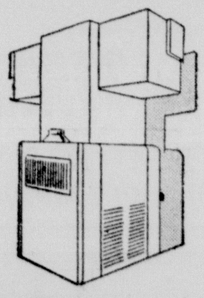
Summer Cooling . . . Winter Heating
with one simple unit

Sounds like a dream—but it's true! In the new world of tomorrow, you'll be able to have the kind of climate you want *indoors*—year around.

Changing seasons will have no effect on your comfort. Sultry summers and blustery winters won't mean a thing to you and your family. All-year gas air conditioning will keep your home at just the temperature you want—and at the right humidity, too—through every season.

This new and different air conditioning system was developed, before war came, by the makers of the Servel Gas Refrigerators. Systems are now operating in hundreds of homes throughout America—some of them on Lone Star lines . . . and are working fine.

You'll be able to get All-year Gas Air Conditioning for your home at war's end. So start planning now—and start saving. Buy war bonds.



IN WINTER, the gas air conditioner assures you dependable warmth and correct humidity throughout your home on coldest days.

IN SUMMER, the gas air conditioner brings relief from hot, sticky weather . . . providing refreshing, invigorating cold air.

IN EVERY SEASON of the year, the gas air conditioner gives you live, clean air without drafts . . . filtering out dust, dirt and pollen.

ADOLPH A. KRETSCHMAR

* * * * * *

Adolph Kretschmar in Invasion of France; Is Naval Radioman

Adolph A. Kretschmar, 25 year old son of Mr. and Mrs. A. J. Kretschmar of Rt. 1, Cameron, Chief Radioman, United States Navy, was in the great battle for the invasion of France on June 6, 1944.

A V-mail letter, censored by the Navy, has just reached The Herald telling of Kretschmar's part in this greatest military operation of all time. Kretschmar is aboard ship and presumably a warship. The letter says that Kretschmar was a member of a United States Naval crew in the American assault force which invaded France.

This was not his first action with the enemy. He saw action previously in North Africa, Sicily, Salerno and Italy. He has just been promoted from Radioman first class to Chief Radioman.

Before entering the Navy he was with the Henry Dreyer metal works in Cameron.

Kretschmar volunteered for the navy shortly after the Germans marched on Poland. He has served on two oceans. His first foreign duty was in the Hawaiian Islands. He was at Pearl Harbor when the Japs attacked. Later he was transfered to the Atlantic.

He was born and reared in the Ad Hall community and graduated from Yoe High School in 1936.

Mrs. B. M. McMillion of Buckholts was visiting in Cameron Thursday.

MINSK ENCIRCLEMENT COMPLETED BY REDS

Minsk was surrounded by the Red Army Saturday and its fall was said to be a matter of days or perhaps horus.

The Red Army was making great progress in the East. A Moscow satement said that 132 thousand Germans have been killed in the last eight days on the Eastern front. If true this is the largest sacrifice of men in the entire war. There seemed little doubt the Germans are fast losing the war and their manpower is exhausted.

Surrender of Germans on the Russian front by the thousands indicate the Germans are tired of fighting.

Berlin made a new threat. The Germans say they are introducing a crewless submarine that will destroy New York City. The Robot pianes were still peppering the British Isles.

Great tank battles are in progress at Caen in France where the Germans are said to be employing 3 divisions.

China, left largely to her own fate, was being slashed in half. The Japs were winning the war in China but the Chinese will fight on, no matter what the odds.

Mopping up operations continued in Normandy. The Germans announced at noon Saturday that all resistance had ceased in the Cherbourg area.

Softball League To Be Organized

Possibly the whole community is aware of the fact that the City of Cameron is ligthing the City Park with large flood lights.

We are grateful to the city officials for making this civic improvement. The only hindrance to the completion of the project is the securing of WPB approval for a larger transformer. We are informed that this action is expected very soon.

Therefore, we expect to be using the lighted city park right away. To that end we are hoping to get a softball league organized to play under the lights. Every person who is at all interested in playing any softball is urged to meet at the City Park next Monday night at 8 o'clock.

We will formulate some definite plans for the organization of a league at that time. If the lights are not on by that time, we will have a short twilight game, as well as formulate plans for the league.

So be present Monday night if you are interested in softball.

CHRISTIAN SCIENCE SERVICES

"Sacrament" is the subejct of the Lesson-Sermon which will be read in all Churches of Christ, Scientists, on Sunday, July 9.

The Golden Text is: "Create in me a clean heart, O God; and renew a right spirit within me" (Pslams 51:10.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth; for the Father seeketh such to worship him" (John 4:23.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We worship spiritually, only as we cease to worship materially. Spiritual devoutness is the soul of Christianity."

Mrs. Clyde Williams and daughter of Gause visited in Cameron Saturday.

DeARMOND-O'NEILL

Miss Barbara O'Neill became the bride of Lt. V. J. DeArmold, Jr., in Brownsville July 1, 1944, at 6:00 p. m. with the Rev. Moore conducting the impressive double ring ceremony.

The bride wore a white suit with white accessories. Her corsage was a purple Orchid. She was given in marriage by her uncle, Charles Yoe Meyers of Corpus Christi. Mrs. E. H. Smith was Matron of honor, and E. H. Smith acted as best man.

Mrs. DeArmond is the youngest daughter of Mr. and Mrs. Leo O'Neill of Cameron and has held a responsible position with C. A. A. in Brownsville for the past year.

Lt. DeArmond is the son of Mr. and Mrs. V. J. DeArmond, Sr., Baton Rouge, La., where he was attending the State University when he enlisted in the Air Corps in March 1941.

He received his training at Randolph Field and Foster Field, Victoria. His plane was shot down over Sicily in May 1943, and he was an Italian prisoner until Nov. 1943, when he escaped to the Allied lines. He is now stationed at the Gunnery School in Harlingen, where they will make their home.

CARD OF THANKS

We wish to express our heartfelt thanks to our many friends for the many courtesies shown and sympathies extended at the recent announce of the death of First Lt. Sam Oliver, our beloved son and brother who gave his life on foreign soil, fighting to preserve all we hold so dear.

J. H. Oliver and Family.

ZALESKY-JANEK

Miss Josie Zalseky became the bride of Joe Janek Monday morning, July 3rd, at nine o'clock at the Catholic church with Father Duda reading the ring service before a beautiful altar of floral design.

The bride was reared here and is the daughter of Mr. and Mrs. Joe Zalesky of Cameron. She is a graduate of Cameron high school and has been employed here for some time.

The bride groom is the son of Mr. and Mrs. Joe Janek of Cameron.

A midday luncheon followed the wedding ceremony at the home of the bride's parents for the relatives and a few close friends. They will make their home near Cameron, on the farm with his parents.

Mrs. R. L. Batte is confined to the Seton Hospital in Austin where she has undergone another operation on her eye.

G. C. Black of Gause was a business visitor in Cameron last week.
